MILE WALK IS TURNED INTO A FARCE

As predicted in the Bulletin, the Kamehameha Alumni had no difficulty in winning the prize offered for the team scoring the greatest number of points at the field meet held Saturday afternoon at the Boys' Field. Oahu College made a good showing, taking second place with 27 points to the 55 made by the Kams, while the St. Louis Alumni followed with 18. Most of the contests were close and there was some pretty work done, though no extraordinary records were made.

Mackenzie failed to come closer than 25 of a second to the time of 10:15 which he was credited with the week before, and this when he was against a stronger field, which makes it doubtful if the 10:15 should be accepted as an island record.

R. Smith of Oahu, placed an island record to his credit in the mile run, doing the distance in 4:58, two seconds lower than the old record.

The mile walk added to the events of the day by grotesque and comic features. After the experience of Saturday if there is another meet of the kind in which this event is on the program, it will hardly reflect creditably on the good judgment of the promoters. There were only two entries, as the event did not count for points, H. M. Ayres and H. Auld. The latter ran nearly two-thirds of the way and finished some fifteen feet in advance, being very properly disqualified by Dr. Hand, who acted as judge. In the last 100 yards, Ayres, who up to this time had given a very pretty exhibition of walking, thought he might gain a few feet and was disqualified for the same reason as his competitor. "No race" was very properly declared.

Then came the ridiculous feature. In spite of the fact that both men had been disqualified they tossed up a coin to see who would get the medal. Auld, who had made a mile, go as you please, in 8:30 now, according to the ruling and the medal, which he may wear when he sees fit, is the "Champion mile walker of Hawaii." Whether a new record will be allowed or was allowed, as the time or the combination harness race was far less than the old record held by Ayres, or not, will depend on the sagacity of the officials of the meet. In regard to this event, the officials certainly made themselves ridiculous.

The half mile was a pretty race all the way and showed a bit of game work, though poor judgment, on the part of Dodge of Oahu. He had already run in the mile and was tired, but in spite of this set the pace, and when he started in on the last 220 of the distance had a lead of at least 40 yards. Then came his Waterloo. Tired out by his first race and his fast start, he was unable to hold to the pace which he had himself set and at the finish was easily beaten out, Clark taking first place in a pretty finish.

The summary:
100 yard dash—First heat: Correa (St. L.), first; Murray (K), second. Time, 11:25 sec. Second heat: Lyman (O), first; Mackenzie (K), second. Time, 10:45 sec. Final: Mackenzie (K), first; Lyman (O), second; Murray (K), third. Time, 10:35 sec.

BASEBALL FOR MAUI

Maui has baseball prospects this year and it is to be hoped will be in the swim for an inter-island schedule at the close of the season. The Maui News of last Saturday says:

Judging from the size of the crowd and the enthusiasm shown at last Sunday's game of baseball at Well's Park between the Lahainas and Kahuluis the sport ought to take quite well in Wailuku.

The game was not a very fast one and there were many errors made, although much more could not be expected of the Lahaina team, which had but two short practices before they came over. Nevertheless they have made up their minds to beat the Kahuluis and to carry the championship banner to Lahaina at the end of the season and there may be something doing when they next come over.

Joe Espinda, the catcher of the Lahaina team, was in no form for the game and could not hold the ball. In the third inning he let the third strike pass by enabling the batter, Hampton, to get to third base before he could find the ball. In the sixth inning Joe was substituted by a native lad and a great change was noted.

Pitcher John Garcia of the Kahuluis team threw a wild ball over the third baseman's head and the Lahainas scored their first run on it.

At the end of the game the score stood 7 to 4 in favor of the Kahuluis.

The committee appointed by the Association to arrange a schedule is hard at work, and so far it is understood there will be four teams competing for honors. They are the Wailuku, Kahuluis, Lahainas and Wailuku.

A subscription has been taken up to fix up the grounds, move the grand stand and make other needed repairs, and the local sports have responded handsomely.

All in all, the game is taking with the people and it would be no surprise to hear of a challenge from the married men of Kahuluis being issued to the Wailuku Benedict's team.

throughout and the presence of a number of ladies, who cheered their favorites on and applauded pretty work on both sides, increased the interest in the game.

In order that a large number of the matches might be finished a rule was adopted that no deuce set should be played except in the third or deciding set of a match. In this way a good deal of time was saved.

The prettiest match of the day was in the semi-finals, between the Dillingham brothers and H. Turner and Major Van Vliet. The latter won though the contest was hardly fair as regards their opponents. Capt. Humphrey had been Turner's partner and sprained his ankle severely during the early part of the first set and Maj. Van Vliet was allowed to take his place, thus placing the Dillinghams, who had already played two hard matches against a combination in which an entirely fresh player took his place. As it was the game could not have been much closer, the last set running to 11-9 before the new combination could win out.

Luncheon was served at the clubhouse for the members of the club and their guests and refreshments were also served during the afternoon. In the finals to be played on Saturday Roth and Babbitt are the favorites.

The summary:

PRELIMINARIES.
Dillingham and Dillingham defeated Williamson and Ballou, 6-2, 6-2.
